Knaphill Lower School and Knaphill School

"Together we are Better"

Weekly Focus

Friday 6th November 2020

Dear Parents and Guardians,

I hope you have all had a wonderful half term. The children have come back to school extremely happy and are fully embracing all learning. May we take this opportunity to thank you all for your support by wearing face masks to and from each school site as you have been dropping off and collecting your child/children.

We are currently unable to invite prospective parents in to school at this time, so have prepared a Prospective Parent Virtual Tour for families wishing to join us in Reception in 2021. Please find the link below and share it with any parents you know who are considering Knaphill Lower School.

Best wishes,

Miss J. Concannon

Federation Headteacher

Coats, Jumpers and Cardigans

Please ensure that your child wears a warm coat to school during the winter months, as the weather has definitely taken a turn! Brrrrr! As part of our Safety Measures, classrooms have to be kept well ventilated, so windows will be open during the cooler months. Children are therefore allowed to wear/bring an additional cardigan or jumper in the classroom should they wish to do so. Please be assured that we have the heating on and will ensure comfort levels are maintained, particularly in occupied spaces.

The KFOS Fitness Challenge!

Welcome to the KFOS Fitness challenge! We believe that sport and exercise is one of the most important ways to stay physically and mentally healthy, so we have organised a special competition to promote it. For the next 6 weeks, we will set you all a fitness challenge every Friday for you to complete at home. If you complete the challenge, please let your Class Teacher know your score. Anyone who completes all 6 fitness challenges will receive our KFOS Fitness Certificate!

Challenge: Week 1 - How many star jumps can you do in 1 minute?

Individual/Sibling School Photographs

Under the new national restrictions for schools, we have decided to postpone the school photographer coming into both schools to take individual and sibling photographs this month. They will now be scheduled later on the academic year (during the Summer Term), when we can plan to have them taken outside in the sun!

Remembrance Day

We will be selling poppies in each school from Monday. Each Class will have their own stock and if your child would like to buy one, please can we ask that they bring their donation in an envelope into class with them. Thank you very much for all of your support.

Primary School Places – Reception and Year 3

Applications for Primary School places opens on 2nd November and closes on 15th January 2021.
