

Home and Away

You need to choose two activities from the grid overleaf. You must choose to complete work from different rows to show off a variety of skills.

All your work must be your own - although others can help you if you need it. Make sure you understand everything that you present as you may be asked to explain your work by answering questions from the class and your teachers.

If you have any other ideas of something you would like to do, or if you are having any difficulties completing a task, please come and ask your class teacher who will be happy to give you more guidance!

Topic homework will be handed out across the school on Friday 20th April 2018.

We will be collecting your topic work on these dates.

- Thursday 24th May 2018
- Friday 22nd June 2018.

An 'End of Topic Curriculum Afternoon' will take place in each classroom on Wednesday 11th July 2018 3.30pm- 6.30pm.
