Tuesday 11th September

Online Safety Presentation and Workshops

Dear Parent/Guardian,

We are fortunate, once again, to be receiving a visit from Sharon Girling OBE into school to speak to staff, children and parents in order to raise awareness and further educate the children about online safety.

On Tuesday 18th September, the children will be reminded of how to stay safe online by taking part in an online safety workshop during the school day. We would also like to welcome parents and guardians to an online safety presentation at 3:30pm. This will help you to gain a better understanding of online safety and how to support internet use at home. I am sure you will find it an extremely beneficial presentation and we would encourage you to attend. In order for the workshop to go ahead, we would be grateful to receive a contribution of £2.50 via our online payment system Tucasi.

Online safety is an essential part of keeping the children safe at Knaphill School. We believe that it is vital for both parents and children to be mindful of the dangers of online computing, how to stay safe online and what to do if they feel they are in danger.

Thank you for your support.

Kind regards,

Miss Fini
Computing Leader
