

Activity List

The Stone Age to the Iron Age Year 3 Project			
English	Write an acrostic or shape poem about the Stone Age.	Write a diary entry from the point of view of a Stone Age person.	Write a short story set in the Stone Age.
Maths/ Science/ Computing	Make a PowerPoint Presentation about the Stone Age.	Create a game about Stone Age animals. For example, Top Trumps.	Research and create a fact page about the Stone Age.
Art/ D.T	Make your own fossil using clay or another material of your choice.	Make Stone Age Paint and include instructions on how you made it.	Create a 3D model of Stonehenge.
History/ Geography	Create a survival guide to help someone live in the Stone Age.	Research the different theories as to why Stonehenge was built.	Create a 10 question quiz about the Stone Age with answers to test the rest of the class.
Music/ Drama/ P.E.	Make a DVD or mini-documentary about Stone Age animals.	Create your own song about the Stone Age.	Choreograph and present your own Stone Age performance.

Stone Age Topic Homework

Over the course of this term, you are required to complete **two** of the activities from the grid overleaf. You should complete work from different rows to show off a variety of skills. You are allowed to complete the task however you like – be as creative as possible!

All your work must be your own - although others can help you if you need it. Make sure you understand everything that you present as you may be asked to explain your work by answering questions from the class and your teachers.

If you have any other ideas of something you would like to do, or if you are having any difficulties completing a task, please come and ask your class teacher who will be happy to help!

The work must be handed in to your class teacher on the following dates:

- Friday 12th October 2018
- Friday 14th December 2018

Good luck! ☺
