

Computing and Coding Clubs – Spring Term 2019
Mondays 3.10-4.10pm

This 10 week course will require a keen interest in learning how to make programs and for children to design and build their own games using Scratch, graphics, art, HTML, JavaScript, Lego robotics to help create our future programmers and engineers, with the use of different age appropriate software. Throughout this foundation course, your child will be introduced to writing code, finding and fixing errors, experimenting, building some short projects and also learning how the programs were designed.

This term Coding Club runs W/C Monday 14th January 2019 – 25th March 2019

Half Term Break W/C Monday 18th February 2019

The cost of this term's workshop is £85.00 per term payable at the start of each term. Spaces are limited.

Kind Regards

Salina B Oliver
