COVID-19 UPDATE
Keeping in Contact

Dear Parents/Guardians,

As a duty of care we are required to keep in touch with all of our families during a school closure, to ensure and monitor that you are all able to access the Home Learning provided and reassure you that we are still here in case you need any advice or support over the forthcoming weeks.

We thought one way to do this would be to ask you and your children to answer some questions about your Home Learning, to tell us what you have really enjoyed and maybe what you have found a bit tricky!

Please can you complete the Google Form below with your child/children and answer the questions together. It will be great way for us to support, plan and develop Home Learning going forward.

Can we kindly ask that you all complete a Home Learning response with each of your children by **12.00pm Monday 30th March**. **Please note: If we have not had a response from you we will follow up with further communication.**

Please keep in touch by filling in the Google Form and let us know how you are doing!

We are missing you all!

Kind regards,

Miss J. Concannon
